

**Extensions of deadline for public submissions on
Proposed Minimum Standards of
Competence, Knowledge and Skills for Authorised Financial Advisers**

The Code Committee is aware that there are several consultation processes currently being undertaken by various government agencies in relation to the financial adviser sector. The Code Committee wishes to ensure that good consultation occurs within this busy area. In light of this the Code Committee has decided as follows:

Submitters may seek an extension to 27 November 2009

Individuals or organisations who wish to have more time in order to provide a useful submission may request an extension from 5pm Friday 13 November 2009 to **5pm 27 November 2009** by contacting the Code Committee at consultation@financialadvisercode.govt.nz. No extension beyond 27 November will be granted.

Only those who have requested and received an extension will be permitted to make submissions after 5pm 13 November 2009.

Thank you to those of you who have already made submissions. If you feel that you would like to add more information to your submission, you are invited to make a request for an extension to 5pm 27 November 2009.

The Code Committee is keen to hear your feedback and submissions.
