A. BACKGROUND

This is the Code of Professional Conduct for Authorised Financial Advisers for the purposes of the Financial Advisers Act 2008.

This section of the *Code* provides a brief overview of the scope and aims of the *Code*. The remainder of the *Code* contains the operative provisions which must be complied with by all *Authorised Financial Advisers*.

Financial advisers are required to be authorised under the Financial Advisers Act in order to provide a *personalised service* to a *retail client* that is:

- (a) *financial advice* or a *discretionary investment management service* in relation to a *category 1 product*; or
- (b) *an investment planning service*.

Financial advisers may also elect to become authorised under the Act *in relation to financial adviser services provided in respect of any category 2 product, and in any in* other situations specified in regulations made under the Act. ~~*As at the date of this Code no such regulations have been made.*~~

The overarching purpose of the Financial Advisers Act is “to promote the sound and efficient delivery of financial adviser and broking services, and to encourage public confidence in the professionalism and integrity of financial advisers and brokers”.

One of the key ways the *Act* seeks to achieve its purposes in relation to *financial adviser services* is by requiring all *Authorised Financial Advisers* (also referred to as *AFAs*) to comply with a code which provides for minimum standards of professional conduct. The overarching purpose of the *Act* provides the spirit underpinning the *Code*. When considering their conduct and disclosure obligations under the *Act* and the *Code*, *AFAs* should have that spirit in mind.

The *Act* requires the *Code* to contain minimum standards of competence, knowledge and skills, of ethical behaviour, and of client care. The *Code* is also required to provide for continuing professional training for ~~*AFAs*~~*Authorised Financial Advisers*, including specifying requirements that an *AFA* must meet for the purpose of continuing professional training. *AFAs* may be disciplined for breaches of the *Code*.

A number of the **Code Standards** include reference to legal obligations that would apply to *AFAs* irrespective of the *Code* requirements. Such references are included largely for the sake of completeness. However, the *Code* does not refer to all legal obligations of *AFAs*. *AFAs* must comply with all applicable laws, whether or not referred to in the *Code*.

This *Code* has been approved by the *Minister* under the Financial Advisers Act [2008](#) and comes into force either in part or in full, on a date or dates specified by *Gazette* notice under section 94 of the *Act*. ~~The *Commissioner* may specify different dates for the commencement of different provisions of this *Code*.~~

B. INTRODUCTION

Each standard in this *Code* consists of an overarching principle identified as a **Code Standard** together with additional provisions that contain further detail about the application of the **Code Standard**.

Unless otherwise stated, the additional provisions do not limit the application of the overarching principle under which they are stated, or the application of any other **Code Standard**. *AFAs* must apply the **Code Standards** in a way that encourages public confidence in the professionalism and integrity of financial advisers.

Terms used in this *Code* that appear in italics are defined in the definitions schedule.

This *Code* does not limit an *AFA*'s legal obligations, including those under the *Act*.

C. MINIMUM STANDARDS OF ETHICAL BEHAVIOUR

Code Standard 1

An Authorised Financial Adviser must place the interests of the *client* first, and must act with integrity. These obligations are paramount.

This **Code Standard** applies to any activity of an *AFA* that relates to the *AFA's financial adviser services*.

The obligation to place the interests of the *client* first, and act with integrity in accordance with the overarching purpose of the *Act*, applies irrespective of the application and effect of any other **Code Standard**.

What is required to place a *client's* interests first for the purposes of this ~~Code Standard~~ **Code** is determined by what is reasonable in the circumstances, including any regulatory obligations binding on the *AFA* in addition to the *Code*.

~~An *AFA* is required to advise a *client* only in relation to *financial products* or matters that are within the scope of the *AFA's financial adviser services*, as advised to the *client in writing*. An *AFA* is not required to consider **Compliance with this Code Standard** does not require an *AFA* to provide *financial adviser services* in relation to *financial products* or matters that are not within the scope of the *AFA's services*, as advised to the *client in writing*, or provide *financial adviser services* in relation to *financial products* that are outside of that scope of service. ~~at scope in order to comply with this **Code Standard**.~~~~

An *AFA's* obligation under this **Code Standard** to place a *client's* interests first will not be breached by reporting to the Financial Markets Authority ~~Securities Commission~~ any breaches of the *Act* that the *AFA* reasonably believes to have occurred.

Code Standard 2

An Authorised Financial Adviser must not do anything or make an omission that would or would be likely to bring the financial advisory industry into disrepute.

This **Code Standard** prohibits an *AFA* from conduct that would undermine public confidence in

Formatted: Font: Not Bold, Italic

the professionalism or integrity of the financial advisory industry. However, this **Code Standard** does not prevent an *AFA* from commenting in good faith on the business, actions, or inactions of any *person* (including any other *financial adviser*, financial adviser group, financial service provider or industry body) or from exercising the *AFA*'s reporting powers under section 45A of the *Act*.

Code Standard 3

An *Authorised Financial Adviser* must not state or imply that the *Authorised Financial Adviser* is independent, or that any *financial adviser services* provided are independent, if a reasonable person in the position of a *client* would consider that the *Authorised Financial Adviser* or the services provided are not independent.

The following are examples of circumstances where neither the *AFA* nor the *AFA*'s provision of *financial adviser services* may be described as 'independent':

- (a) a *related person* of the *AFA*, or a *related person* of the *AFA*'s employer, or *principal*, is the *product provider* of a *financial product* relevant to the *financial adviser service* provided; or
- (b) the *AFA* is subject to a contractual obligation to:
 - recommend a particular *financial product* or *financial products*; or
 - limit the *AFA*'s recommendations or *discretionary investment management services* to a particular *financial product* or *financial products*; or
 - attain or maintain a target in relation to a particular *financial product* or *financial products*.

However, the contractual obligations falling within this paragraph (b) do not include the use of wrap account services, platforms, or other portfolio administrative or custodial services, where the use of such services and the arrangements the *AFA* is able to put in place for the *AFA*'s *clients* permit access to a wide range of *financial products* and *product providers*; or

- (c) the *AFA* or a *related person* of the *AFA* will or may directly or indirectly receive a *benefit* from a *person* other than the *client* for providing the services or from the *client*'s acquisition of a *financial product* or products.

However, for the purposes of this paragraph (c) the following *benefits* do not affect an *AFA's* ability to describe the *AFA* or the *AFA's* services as independent:

- those that are paid, credited, or transferred to the *client*; and
- those that are remote or insignificant; **and**
- **and** those that are received by the *AFA* in the form of salary or wages as an employee, or in the form of fees as a contractor, that are not determined in whole or in part by reference to volume or other targets relating to a particular *financial product* or *product provider*.

An *AFA* must not state or imply that a researcher or other third party service provider used by the *AFA* in relation to the *AFA's financial adviser services* is independent unless the *AFA* has reasonable grounds to believe the third party would be able to describe themselves as independent under this **Code Standard**, if the third party were an *AFA*.

Code Standard 4

An Authorised Financial Adviser must not borrow from or lend to a retail client.

This **Code Standard** does not apply if the *client* is

- (a) a *related person* of the *AFA*; or
- (b) in the business of borrowing or lending money or valuable property and the *AFA's* borrowing or lending is in the ordinary course of the *client's* business on terms consistent with the *client's* normal business terms.

This **Code Standard** does not prevent an *AFA* or an *AFA's* employer or *principal* from entering into financial arrangements on behalf of a *client* as the *client's* agent to meet settlement obligations in relation to any *financial product*.

An *AFA* must not arrange for the *AFA's* employer or *principal* to borrow from or lend to a *retail client*, other than in the ordinary course of the employer's or *principal's* business.

Code Standard 5

An Authorised Financial Adviser must not provide financial advice to a retail client in relation to a financial product that is not offered to the public if the Authorised Financial Adviser is a related person of the product provider of that financial product.

This **Code Standard** does not apply:

(a) — If the *client* is a *related person* of the AFA, or is a *related person* of the AFA's employer or *principal*; or

(b) — If the AFA is satisfied on reasonable grounds that the AFA's *financial advice* is appropriate for the *client* and, before the *client* makes a decision in relation to the *financial product* to which the *financial advice* relates, the AFA provides to the *client* in writing:

(i) — *an explanation of the AFA's relationship with the product provider of the financial product, the risks of the financial product, and details of how the AFA manages any conflict of interest arising as a result of that relationship; and*

(ii) — *a recommendation that the client takes financial advice from another AFA who is not a related person of the product provider.*

The purpose of this **Code Standard** is to protect the interests of *retail clients* in the rare situations where a *retail client* may hold, or lawfully be offered the opportunity to acquire, a *financial product* that is not offered to the *public*. Accordingly, this **Code Standard** is very limited in its application. It does not enable an AFA to provide *financial advice* to a *retail client* in relation to the acquisition of a *financial product* that is not able to be lawfully offered to the *client*.

Code Standard 5

An Authorised Financial Adviser must effectively manage any conflicts of interest that may arise when providing a financial adviser service.

Effective management for the purposes of this Code Standard includes a requirement for the AFA to identify, and clearly and effectively communicate to the client, all interests of the AFA or a related person that might influence the services the AFA provides to the client.

Where a conflict of interest that arises when providing a financial adviser service is such that an AFA is unable to manage the conflict so as to place the interests of the client ahead of the interests of the AFA or a related person, the AFA must decline to act.

D. MINIMUM STANDARDS OF CLIENT CARE

Code Standard 6

An *Authorised Financial Adviser* must behave professionally in all dealings with a *client*, and communicate clearly, concisely and effectively.

When providing *financial adviser services* to a *client*, an *AFA* must:

- (a) provide only services that the *AFA* has the competence, knowledge, and skill to provide; and
- (b) provide the *services* and perform the *AFA*'s obligations in a timely way; and
- ~~(c) transparently manage any conflicts of interest that may arise in providing the services; and~~
- ~~(d) make recommendations only in relation to *financial products* that have been analysed assessed or reviewed by the *AFA* to a level that provides the *AFA* with a reasonable basis for any such recommendation, or by analysed by another person if it is reasonable in all the circumstances for the *AFA* to rely upon that other person's assessment or review. upon whose analysis it is reasonable, in all the circumstances, for the *AFA* to rely.~~

Formatted: Font: Italic

Communicating 'effectively' for the purposes of ~~this the Code Standard~~ requires an *AFA* to take reasonable steps to ensure the *client* understands the communication.

When transmitting the *financial advice* of another *person* to a *client*, an *AFA* must take reasonable care to ensure that the *person* providing the *financial advice* has an appropriate level of competence, knowledge, and skill to provide that advice, and either:

- ensure the *client* is aware that the *AFA* has not prepared the *financial advice* or assessed its suitability for the *client*; or
- accompany the *financial advice* with the *AFA*'s own *financial advice* in relation to the same subject matter (in which case the *AFA* may have further obligations under **Code Standards 8 and 9**).

When providing *financial adviser services* to a *wholesale client*, an *AFA* must take reasonable steps to ensure the *client* is aware that the *client* is regarded as a *wholesale client* for the purposes of the *Act* and the *Code*, and also is aware of the consequences of that status.

Code Standard 7

An *Authorised Financial Adviser* must ensure each *retail client* has sufficient information to enable the *client* to make an informed decision about whether to use the *Authorised Financial Adviser's financial adviser services* ~~and/or to follow any financial advice provided by the *Authorised Financial Adviser*.~~

The information an *AFA* may be required to provide a *retail client* under this **Code Standard** includes (but is not limited to) written information about the scope of the *AFA's financial adviser services*, any limits on the that scope of the *AFA's financial adviser services*, or the *AFA's authorisation*, the *AFA's* qualifications to provide those services, the basis on which those services are provided, the fees the *client* must pay, and the any interests the *AFA* is required to communicate under **Code Standard 5** benefits the *AFA* or any related person of the *AFA* will or may receive, and any conflicts of interest the *AFA* may have, in relation to the *AFA's financial adviser services* provided to the *client*.

~~In many circumstances an *AFA* will satisfy~~ The requirements of this **Code Standard** may be satisfied in whole or in part by complying with the *AFA's* disclosure obligations under the *Act*. ~~However,~~ in some circumstances additional information may need to be provided to a *retail client* to ensure the *client* has sufficient information to be able to make an informed decision.

The information required under this **Code Standard** must be updated when there is any change in the *AFA's* circumstances that is material to the *financial adviser services* provided by the *AFA* to the *client*.

Code Standard 8

When providing a *personalised service* to a *retail client* an *Authorised Financial Adviser* must take reasonable steps to ensure that the *personalised service* is suitable for the *client*.

An *AFA* is only required to determine suitability under this **Code Standard** based on the information provided by the *client* and information otherwise known to the *AFA*. However, an *AFA* must make reasonable enquiries to ensure the *AFA* has an up-to-date understanding of the

client's financial situation, financial needs, financial goals, and ~~tolerance for risk~~ profile, having regard to the nature of the *personalised service* being provided.

Where a *client*:

- (a) declines to provide some or all of the information required under this **Code Standard**, an *AFA* must take reasonable steps to ensure the *client* is aware that the *personalised service* is limited and specify those limitations; or
- (b) instructs an *AFA* (or an *AFA's* employer or *principal*) to provide *transactional advice* without determining the suitability of the *financial advice* provided, the *AFA* is relieved from the obligation to determine suitability to the extent provided for in that instruction, provided the *AFA* expressly confirms~~provides written confirmation~~ to the *client* that the underlying transaction has been completed or advised upon without determining suitability, to that extent; or
- (c) instructs an *AFA* (or an *AFA's* employer or *principal*) not to determine the suitability of the *financial adviser service* provided, the *AFA* is relieved from the obligation to determine suitability to the extent provided for in that instruction. However, this relief is only available if the instruction is provided in a document that is signed and dated by the *client*, and that includes a clear acknowledgement from the *client* as to the advantages of the *AFA* determining suitability based on the provision of all the information contemplated under this **Code Standard**.

An *AFA* must not direct or influence a *client* to instruct the *AFA* not to determine the suitability of a *financial adviser service* to be provided for the *client*, or direct or influence a *client* to decline to provide any of the information contemplated under this **Code Standard**. However, this restriction does not prevent an *AFA*:

- drawing the *client's* attention to the *client's* ability to opt out of having suitability determined as contemplated under this **Code Standard**; or
- quoting or estimating a reasonable fee for determining suitability under this **Code Standard**.

If ~~the extent of~~ an instruction given by a *client* under paragraph (b) or (c) of this **Code Standard** is such that the *financial adviser service* provided by the *AFA* to the *client* is not or will no longer be a *personalised service*, the *AFA* will then need to comply with **Code Standard 10**.

Code Standard 9

Where an *Authorised Financial Adviser* provides a *personalised service* to a *retail client* that is an *investment planning service* or that relates to a *category 1 product*, the *Authorised Financial Adviser* must provide ~~an a-written~~ explanation of the service provided that is

~~sufficient to enable the *client* to make an informed decision about the *financial adviser service*, to the *client* of the basis on which those services are provided. The *Authorised Financial Adviser* must also take reasonable steps to ensure the *client* is aware of the principal benefits and risks involved in following any *financial advice* provided as part of that service, having regard to the characteristics of the *personalised service*.~~

~~The extent of any explanation required under this **Code Standard** is determined by what a *retail client* would reasonably require in the circumstances to make an informed decision, including:~~

- ~~a. sufficient information to enable the *client* to make an informed decision as to the suitability of the *financial adviser service* provided by the *AFA*, and~~
- ~~b. a concise description of the principal benefits and principal risks relevant to any *financial advice* provided as part of the *AFA's financial adviser services*, having regard to the characteristics of those services.~~

All explanations required under this **Code Standard** must be provided *in writing* to the *client* at the time the *personalised service* is provided, or as soon as practicable after that time, unless: ~~However, the requirement to provide an explanation under this **Code Standard** does not apply where:~~

- the *AFA* has previously provided the *client* with an explanation under this **Code Standard** that is sufficient to cover the *personalised service* provided; or
- the *client* has either instructed the *AFA* (or the *AFA's* employer or *principal*) or confirmed a prior instruction that an explanation under this **Code Standard** is not required, or that any such explanation need not be *in writing*. Any such instruction or confirmation need not be *in writing*, but must reflect an unambiguous, active instruction or confirmation that is relevant to the *personalised service* currently being provided.

~~The extent of any explanation required under this **Code Standard** is determined by what a *retail client* would reasonably require for the purpose of deciding whether to follow any advice or guidance provided by the *AFA*.~~

An *AFA* must not direct or influence a *client* to decline the explanation contemplated under this **Code Standard**. However, this restriction does not prevent an *AFA* from:

- drawing the *client's* attention to the *client's* ability to opt out of receiving the explanation contemplated under this **Code Standard**; or
- quoting or estimating a reasonable fee for providing an explanation under this **Code Standard**.

Code Standard 10

When providing a *class service* to a *retail client*, an *Authorised Financial Adviser* must take reasonable steps to ensure the *client* is aware of the limitations of the service provided.

Code Standard 11

An *Authorised Financial Adviser* must ensure there is an appropriate internal process in place for resolving *client complaints* in relation to the *Authorised Financial Adviser's financial adviser services*.

The complaint resolution process under this **Code Standard** must ensure that:

- (a) the *client* is, as soon as reasonably practicable after making a *complaint*, provided with acknowledgement of the *complaint*, information about the *AFA's internal complaints handling process*, and how to complain to the [Securities Commission Financial Markets Authority](#) and to any applicable *external dispute resolution scheme*; and
- (b) -a register is kept recording all *complaints*, and action taken towards resolving those *complaints*.

The complaints resolution process required under this **Code Standard** is required in addition to the *AFA's external dispute resolution scheme* (if any).

Code Standard 12

An Authorised Financial Adviser must record in writing adequate information about any personalised services provided to a retail client.

The information required to be recorded under this Code Standard in relation to each retail client must be sufficient to demonstrate compliance with Code Standards 5-9, and must include copies of all information and documents provided to, or received from, the client in writing, in connection with the AFA's personalised services.

~~The information required to be recorded under this Code Standard in relation to each retail client must include:~~

~~(a) — information about:~~

~~(i) — any personalised service provided or any financial product recommended to the client that is sufficient to evidence the AFA's compliance with the Code; and~~

~~— the AFA's compliance with Code Standard 5; and~~

~~(ii) — any required suitability assessment carried out in relation to any personalised service provided to the client; and~~

~~(iii) — any required explanation, and advice as to suitability, given to the client in relation to a financial adviser service or financial product; and~~

~~— the results of any all enquiries under Code Standard 8; and~~

~~(iv) — or any oral confirmation from the client declining or limiting a an explanation or suitability assessment under Code Standards 8 or declining a written explanation under Code Standard 9; and~~

~~(b) —~~

~~copies of all information and documents provided to or received from the client in writing, or received from the client, in connection with the AFA's personalised services including—~~

~~(i) — any information provided under Code Standard 7; and~~

~~(ii) — any provision or confirmation of financial advice; and~~

~~(iii) — any explanation provided in accordance with Code Standard 9; and~~

~~(iv) — any instructions from the *client* declining to provide information or declining an explanation under Code Standards 8 or 9; and~~

~~(v) — any instructions from the *client* declining or acknowledging any limitations of a suitability analysis in accordance with Code Standard 8; and~~

~~(vi) — details of any *complaint* received in relation to the AFA's services.~~

An AFA who is an employee may satisfy the AFA's obligations under this **Code Standard** by taking reasonable steps to ensure that relevant measures taken by the AFA's employer are consistent with the measures contemplated under this **Code Standard**.

An AFA must comply with all obligations under the Privacy Act 1993. Without limitation, this includes obligations in relation to the use and disclosure of *clients'* personal information and the protection of that information from loss and unauthorised access, use, modification, or disclosure.

Code Standard 13

An Authorised Financial Adviser must ensure that records of all information and documents required under this Code are kept for a minimum of 7 years.

The 7-year minimum period required under this **Code Standard** generally commences on the last date that the AFA provides a *financial adviser service* to the *client*. However, for information relating to a *financial product* transaction entered into by the *client*, the 7-year minimum period for that information commences on the date that all benefits potentially available to the *client* from the *financial product* have been realised, if that date is earlier than the date that would otherwise apply.

The records required under this **Code Standard** may be kept in electronic form, provided the records are readily retrievable.

~~An AFA who is an employee may satisfy the AFA's obligations under this Code Standard by taking reasonable steps to ensure that relevant measures taken by the AFA's employer (or the AFA's previous employer, where applicable) are consistent with the measures contemplated under this Code Standard.~~

~~Where an AFA transfers the AFA's financial advisory relationship with a client to another financial adviser, the AFA may satisfy the AFA's obligations under this Code Standard by taking reasonable steps to ensure that the other financial adviser keeps the records contemplated under this Code Standard for at least as long as the AFA would otherwise have been required to keep them.~~

An AFA may satisfy the AFA's obligations under this Code Standard by arranging for records or information and documents required under this Code Standard to be held by a third party (for example, the AFA's employer, a platform provider, or a purchaser of the AFA's business) by taking reasonable steps to ensure the third party keeps the records contemplated under this Code Standard for at least as long as the AFA would otherwise have been required to keep them.

**E. MINIMUM STANDARDS OF COMPETENCE, KNOWLEDGE, AND SKILLS
REQUIRED TO PROVIDE FINANCIAL ADVISER SERVICES**

Code Standard 14

Before providing a *financial adviser service*, an *Authorised Financial Adviser* must have the competence, knowledge, and skills to provide that service.

This **Code Standard 14** applies in addition to the requirements of **Code Standards 15 and 16** that relate to particular qualifications an *AFA* must attain.

An *AFA* must be able to demonstrate that the *AFA* has a reasonable basis for believing that the *AFA* has the level of competence, knowledge, and skills required by this **Code Standard**.

Code Standard 15

An *Authorised Financial Adviser* must have a knowledge of the *Act*, the *Code*, and other legal obligations relevant to the operation of the *Authorised Financial Adviser's* practice as a *financial adviser* (including relevant consumer protection laws), that is adequate for the proper operation of that practice.

An *AFA* must attain *Unit Standard Set B*, and be able to demonstrate the adequacy of the *AFA's* knowledge of relevant legislative obligations.

Code Standard 16

To be an *Authorised Financial Adviser*, a *financial adviser* must attain the *Unit Standard Sets* within the National Certificate in Financial Services (Financial Advice) (Level 5) that are relevant to the *financial adviser services* provided by the AFA.

For the purposes of the *Code*, an *Authorised Financial Adviser* is deemed to have attained a particular *Unit Standard Set* where the *Authorised Financial Adviser* has attained an alternative qualification or designation to that *Unit Standard Set* specified in the *Code's Competence Alternatives Schedule*.

An AFA who has attained *Unit Standard Sets* A, B, C, and D of the National Certificate in Financial Services (Financial Advice) (Level 5) is not restricted in the range of *financial adviser services* the AFA can provide or offer to provide, subject to **Code Standard 14** and the terms of the AFA's authorisation under the Act.

However, provided the AFA satisfies **Code Standard 14** an AFA:

- (a) may provide a *class service* for any *client*, and any form of *financial adviser service* for a *wholesale client*, without having attained *Unit Standard Set C* or *Unit Standard Set D*; and
- ~~(b) may provide a *discretionary investment management service* for a *client* without having attained *Unit Standard Set C*; and~~
- ~~(eb) may provide *financial adviser services* for a *client* without having attained *Unit Standard Set D* if the AFA has attained *Unit Standard Set E* and the *financial products* that might be included within the scope of the *financial adviser services* provided for the *client* concerned do not include any *category 1 products*; and~~
- ~~(c) may provide *financial advice* in relation to withdrawing from a KiwiSaver scheme for the purpose of purchasing a first home, without having attained *Unit Standard Set D*; and~~
- ~~(d) who first became authorised to provide a *financial adviser service* in reliance upon a competency pathway that is no longer available to new applicants for authorisation will continue to be regarded as complying with this **Code Standard** in relation to providing that *financial adviser service*, provided there has been no break in the AFA's authorisation and the AFA is able to demonstrate compliance with the AFA's CPD obligations under the *Code* over the course of the AFA's authorisation.~~

If an AFA has attained *Unit Standard Set D* this **Code Standard** does not also require the AFA to attain *Unit Standard Set E* in order to provide *financial adviser services* that involve *category 2 products*, so long as the AFA satisfies **Code Standard 14**.

For the purposes of this **Code Standard**, an AFA will be deemed to have attained *Unit Standard Set E* if the AFA has either passed both of the residential property lending *units* (*units 26286 and 26287*), or the AFA has passed *unit 25644* and at least one of *units 25645, 25646, or and 25647* (being *units* relating to insurance).

Competence Alternatives Schedule

~~For the purposes of the *Competence Alternatives Schedule*:~~

- ~~• a designation previously attained that has not been retained at the time an AFA seeks authorisation will still be recognised for the purposes of the Schedule, provided the AFA has completed at least 20 hours CPD in the 12 months immediately before first becoming authorised, including at least 10 hours of structured training as described in **Code Standard 18**; and~~
- ~~• references to a qualification paper or designation being ‘subject to the eligibility sunset’ mean the relevant qualification, paper or designation must be fully attained at the time the AFA seeks authorisation for the first time, and the qualification, paper or designation will only be recognised for authorisations that come into effect prior to 1 January 2014.~~

F. MINIMUM STANDARDS FOR CONTINUING PROFESSIONAL TRAINING

Code Standard 17

An *Authorised Financial Adviser* must maintain and keep current a professional development plan for each *CPD period*.

An *AFA*'s professional development plan must:

- (a) identify any areas for improvement in the *AFA*'s competence, knowledge and skills in relation to the *financial adviser services* ~~he or she~~ the *AFA* provides or intends to provide;
- (b) include the *AFA*'s proposals for making those improvements; and
- (c) where available, include details of courses, seminars, workshops and any other training or professional development planned to be undertaken; and
- ~~(d)~~ (d) in relation to any *financial adviser service* the *AFA* provides or intends to provide, take into account the minimum level of competence, knowledge, and skills an *AFA* is required to be able to demonstrate to provide that service under **Code Standard 16** at the start of the *CPD period*, with a view to identifying any gaps in ~~ensuring the *AFA*'s competence, knowledge, and skills when compared with that level.~~

Code Standard 18

An *Authorised Financial Adviser* must undertake sufficient continuing professional training to maintain the *Authorised Financial Adviser*'s competence at a level appropriate for the *financial adviser services* the *Authorised Financial Adviser* provides or intends to provide, and keep up to date with developments relevant to the *Authorised Financial Adviser*'s practice.

In order to satisfy this **Code Standard**, an *AFA* must complete no less than 30 hours of structured professional development over the course of every two *CPD periods*.

In addition to that minimum *structured professional development* requirement, in each *CPD period* an *AFA* must undertake such additional training as is necessary to maintain the *AFA*'s competence at the appropriate level required by this **Code Standard** or to satisfy the *AFA*'s professional development plan for that *CPD period*, whether in the form of additional *structured professional development* or some other form.

~~An *AFA* must in each *CPD period* complete a minimum of 20 hours of professional development relevant to the *financial adviser services* the *AFA* provides or intends to provide.~~
